

Roll Jordan Roll Songtext

Roll Jordan

Roll, roll Jordan, roll

I want to go to heaven when I die

To hear Jordan roll (roll, roll, roll)

Jordan roll, roll Jordan, roll

I want to go to heaven when I die

To hear Jordan roll (roll, roll, roll)

Now brother, you ought to been there

Yes, my Lord

A sitting in the kingdom

To hear Jordan

Chorus 1:

Well, roll Jordan, roll (roll Jordan)

Roll Jordan, roll (roll Jordan, roll Jordan)

I want to go to heaven when I die

Roll Jordan, roll

Well my mother, you ought to been there

Mother, you ought to been there

My mother, you ought to been there

Roll, Jordan roll

Oh you can see it roll, better roll, better roll (roll Jordan, roll Jordan)

Roll Jordan, roll (roll Jordan, roll Jordan)

I want to go to heaven when I die

Roll Jordan, roll

Well my mother, you ought to been there (oh yes)

Mother, you ought to been there

My mother, you ought to been there

Roll, Jordan roll

Chorus 2:

Oh you can see it roll, better roll, better roll (roll Jordan, roll Jordan)

Rollover Jordan, roll (roll Jordan, roll Jordan)

I want to go to heaven when I die

Roll Jordan, roll
